

## ⌘ DVD MENU DESIGNS & AUTHORIZING ⌘

We have been engaged in a number of corporate DVD video projects. And we are in charge of the DVD menu designs, some are static menus while others are dynamic menus. Here below are some samples for your reference.

Depending on the design concepts, corporate colors, preferred color themes, layout, DVD functions, DVD navigation requirements, we propose different options for our clients.

Clients always have the right of final approval before mass production proceeds.
